Mail Bids

Parties finding it impossible to be present on sale day may send mail bids to George E. Martin, of the Breeder's Gazette; Will Johnson, of the Shorthorn World, or either of the auctioneers, Carey Jones and "Scottie" Milne.

Announcement

I TAKE great pleasure in announcing my second annual sale.

At this time I am offering thirty-one yearling heifers, four young bulls and one bull who is a tried sire. Eight of his calves will be in this sale so you can see what he produces. Out of the thirty-one heifers nine of them are out of imported dams and the rest of the dams represent the best I have in my herd.

It is my ambition to keep my herd up to the best there is in the country and for that reason I purchased Rodney at the Carpenter & Ross sale for \$7600.

Quite a few of the heifers offered for sale are bred to a son of Rodney, Ballylin Damon, who will also be offered for sale at this time as I will not need him having purchased Rodney.

E. L. Loper

How To Get To Dundee Farms

Dundee Farms—Located 11 miles northwest of Indianapolis on the Northwestern Traction Line, Hill Stop. All cars will stop at the farm on the day of the sale.

North on Capitol avenue to Twenty-first street, west on Twenty-first to Northwestern avenue, north on Northwestern avenue to the farm.

TERMS

CASH

If time is desired you must make your wants known to the satisfaction of the owner. All stock will be loaded on cars after sale without trouble to purchaser.

GUARANTEE

We expect to give the usual guarantee with the purchase of these animals, to guarantee both the males and the females to be breeders where they are given the proper care.

In case an animal fails to breed in the hands of the purchaser, it must be returned at the buyer's expense and in as good condition as when sold. If we succeed in getting the animal settled in a reasonable length of time, we will return to the purchaser at his expense. If we are not successful in breeding the animal, we will then replace the animal returned with another of equal value or refund the purchase price, at the buyer's option.

TUBERCULIN TEST

Each animal has been carefully tested; is absolutely clean, and will be sold subject to a sixty-day retest by a State or Federal Veterinarian.
